Administrative history / Biographical sketch

Note

The Rendezvous Club of Toronto, a social club for retired teachers, was formed in 1937. The goal of the organization was to provide a way for members to maintain friendships made during the teaching years through social activities. The group's constitution details the duties of the executive, including liaising with the Women Teachers' Association of Toronto, and maintaining and documenting the history of the organization.

Scope and content

The fonds consists of meeting minutes, annual reports, treasurer's and secretary's reports, reports of the flowers and card committee, obituaries, membership lists and photographs of the members at various social occasions over the years.
